Customer Care 011 660 6277

Manufactured By:

 **VIROCHEM**

## DIRECTIONS FOR USE:

- 💧 Use undiluted
- 💧 Spray into air for freshening
- 💧 Spray onto work surfaces to sanitise
- 💧 Spray directly onto affected skin areas to sooth & sanitise

## PRECAUTIONS:

- 💧 No known side effects
- 💧 Store out of direct sunlight

## INFORMATION:

- 💧 The log reduction test report showed an equivalent of 99.9% germ kill rate after 30 seconds on Pseudomonas Aeruginosa and 3 minutes on Staphylococcus Aureus. These organisms are highly resistant pathogenic bacteria and represent the gram negative and gram positive groups respectively
- 💧 Active ingredient chlorhexidine
